1. General regulations:

The Competition Rules (WB), the Legal System (RO) and the Anti-Doping Regulations (ADO) of the German Swimming Association (DSV) in the current version apply. For handicapped persons with a corresponding proof of classification, the competition regulations of the German Disabled Sports Association e.V. (DBS) are to be applied.

Eligible to participate are the members of clubs / starting groups that belong to a national association affiliated to the DSV and are in possession of the association rights.

Foreign athletes as defined by § 102 (2) WB-FT SW who do not have the right to start for a German club / German starting community are also eligible to participate. Prerequisite for participation is that the national swimming federation agrees to a start in writing to the DSV by the closing date for registration (the agreement must be submitted with the registration) and that they are registered in due time. For foreign athletes, the registration and licensing obligation as well as proof of sporting ability in terms of the competition regulations are waived.

The competition pool is 50 m long and has 10 lanes, which are separated by wave killer lines. The water depth is 3.00 metres throughout and the water temperature is about 26°C. A fully automatic time measurement takes place. The swim is done according to the one-start-rule.

The judges are provided by the Berliner Schwimm-Verband e.V. (BSV).

2. Registration

The registrations are to be sent on the official DSV forms (registration form DSV-Form 101 and registration lists DSV-Form 102) to

E-Mail: meldung@berlinswimopen.de

If possible, please submit the report additionally by email in DSV-6 standard or Lenex format. A control printout must always be enclosed. Incomplete or unreadable messages cannot be considered.

Closing date for registration: Tuesday, 11.02.2020.

According to § 11(2) WB, the clubs / starting groups have to provide an assurance with the registration that the swimmers registered by them can prove their sports health by a medical certificate. The medical certificate must not be older than one year. Entries without this insurance will be rejected. Furthermore the registering club/community assures that each registered swimmer has the right to start for the club and that the annual license prescribed by § 19 paragraph 2 WB has been paid.

After the closing date for entries and successful transfer to the competition EDP, the clubs will receive a confirmation of entry. If the e-mail address is available, the registration confirmation will be sent by e-mail within 48 hours after the registration deadline. At the beginning of the competition each club receives a registration result in the competition office.

3. Entry fee:

The entry fee is 10.00 EURO per individual start and 6.00 EURO for the youth competitions of the age groups 2009-2012 and has to be transferred to the account of the Berlin Swimming Association by 25.02.2020 at the latest:

Account holder:	Berliner Schwimm-Verband e.V.
Intended use:	Entry fee Berlin Swim Open 2020 + Verein
IBAN:	DE05 1001 0010 0066 2501 04
BIC/Swift-Code:	PBNKDEFF

Any entry fee already paid for any entries rejected in accordance with point 5 will be refunded. Refunds of entry fees will be made by the organizer by bank transfer, provided the association has a bank account in the EU area.

4. Setting the heats

The heats will be set on 10 lanes independent of the year after the times given. The heats will be set according to the heats criteria.

For the final heats the 8 fastest in each case in the open class (valuation group 1), EJC valuation (valuation group 3) and the youth finals (valuation group 4) qualify. If athletes of valuation group 3 qualify for the final of the open class, they will start in the final of the open class. The placement of the EJC ranking is based on the times achieved in the final (incl. A-Class).

In case of a timely withdrawal according to § 131 (15) WB for the finals, five reserve swimmers per scoring group will be nominated. They will move up according to the number of registered swimmers. The renouncement of a substitute swimmer is also subject to deregistration according to § 131 (15).

5. Limitations

The number of entries is limited to the number of heats indicated in the race order. Admission will be granted for the specified entry time. Obvious false entries will be rejected by the organizer.

6. Evaluation/ awards

The scoring will be done in four scoring groups:

1. Open class: Eligible to start are the age groups 2008 and older (WK 1 - 334); the three first place finishers in the finals or time heats will receive medals.
