2. General regulations:

- 2.1** The Competition Rules (WB), the Legal System (RO) and the Anti-Doping Regulations (ADO) of the German Swimming Association (DSV) in the current version apply. For handicapped persons with a corresponding proof of classification, the competition regulations of the German Disabled Sports Association e.V. (DBS) are to be applied. All data refer to all genders.
- 2.2** The swim is done according to the one-start-rule.
- 2.3** Eligible to participate are the members of clubs/starting groups that belong to a national association affiliated to the DSV and are in possession of the association rights. Together with the registration the clubs/starting groups have to give an assurance that the athletes registered by them, have the right to start for the club/starting group, that the prescribed annual license has been paid and that they can prove their health by a medical certificate which is not older than one year (§11 (2) WB-Allgemeiner Teil).
- 2.4** Foreign athletes as defined by § 102 (2) WB-FT SW who do not have the right to start for a German club/German starting group are also eligible to participate. Prerequisite for participation is that the national swimming federation agrees to a start writing to the DSV by the closing date for registration (the agreement must be submitted with the registration) and that they are registered in due time. For foreign athletes, the registration and licensing obligation as well as proof of sporting ability in terms of the competition regulations are waived.
- 2.5** In order to contain the Corona pandemic and to protect all participants, a hygiene concept will be drawn up in advance of the event. In addition, special hygiene regulations currently apply at the competition venue. Both the hygiene concept and the hygiene regulations of the competition site must be observed and complied with by all participants (athletes, coaches, attendants, volunteers etc.) of the event.
- 2.6** The entries have to be submitted on the official DSV forms (registration form DSV-Form 101 and registration lists DSV-Form 102). Additionally the entry has to be sent in a file in DSV-Standard 6 or Lenex. The documents must be completely filled out and well readable. Entries will only be accepted by e-mail to the entry address.

The names of the coaches have to be communicated with the submission of the entries.

The entries are made by the respective clubs/starting groups.

- 2.7** After receipt of the entries, the registering clubs/starting groups will only receive an entry confirmation by the e-mail if they have a valid e-mail address.
- 2.8** Only one contact address is allowed per club/team. Surplus contact addresses will be ignored. The clubs/starting groups have to ensure the validity of their contact data (e-mail address). The club ID and the person ID as well as the corresponding national association (LSV code number) must be stated for all entries. Entries will be rejected if:
- the entries are incomplete
 - the entries are demonstrably incorrect
 - the number of participants exceeds the requirements of the approved hygiene concept and a safe execution of the event cannot be guaranteed

3. Special regulations

3.1 Setting the heats:

The heats will be set on 10 lanes in the morning sessions. The events 800m freestyle and 1.500m freestyle will be held directly as a decision according to entry times according to § 123 WB-FT SW (decision). The eight fastest registered times will start directly in the final.

All 200m distances of the youth competitions will also be set as a decision based on the entry times according § 123 WB-FT SW.

The organizer reserves the right to combine competitions.

The 8 fastest times in the open class (classification group 1), EJC classification (classification group 2) and the youth finals (classification group 3) will qualify for the finals. If athletes of the classification group 2 (EJC) qualify for the final of the classification group 1 (open class), they will start in the final of the classification group 1 (open class).

In classification group 2 there is also the special feature that the 6 time-fastest of the EJC age groups qualify and 2 places are reserved for EYOF age groups, if available.

In case of a timely withdrawal according § 131 (15) WB for the finals, five reserve swimmers per scoring group will be nominated. They will move up according to the number of registered swimmers. The renouncement of a substitute swimmer is also subject to deregistration according to § 131 (15).

3.2 Limitations:

The number of entries is limited to the number of heats indicated in the race order. Admission will be granted for the specified entry time. Obvious false entries will be rejected by the organizer.

3.3 Evaluation and awards:

The scoring will be done in three classification groups:

Classification group 1: open class

Eligible to start are the age groups 2008 and older (WK 1 – 334); the three first place finisher in the finals or time heats will receive medals.

Classification group 2: EJC ranking in the finals

Born 2005-2008 female as well as born 2004-2007 male; the three first places in the finals or time heats receive medals.

Classification group 3: Youth classification

Age groups 2009-2010, 2011-2012; the first three finishers in the finals or time heats will receive medals and certificates

The victory ceremonies for the 200m distances of the youth competitions will take place during the running competition.

In the final session the victory ceremonies will take place in blocks. The exact times can be found in the entry lists of the final sessions.

3.4 Entry lists and Protocol:

Entry lists and protocol in paper form will not be created for the teams. The documents will be available for download on the event page (see 4.1).

3.5 Swimwear:

The FINA regulations and the corresponding DSV explanations are to be observed. The judging panel shall carry out appropriate visual checks throughout the event.

3.6 Data protection:

Organisers and promoters process personal data provided by the clubs / starting associations in the context of the entries for the competition. The data will be stored and processed for the creation of a registration result, for the creation of minutes, the posting of the results, for the award ceremony, for creation of certificates, record lists, high score lists and for publication on the Internet (live timing, log files, event homepage, association homepage, DSV portal). Before, during and after the competition event, these data are also used for correspondence with the clubs / starting associations, for media coverage and for communication with the swimming associations.

Photographs, film recordings or photomechanical reproductions made during the event may be used by the organizer and authorized third parties such as media and sponsors without any claims for compensation by the respective participant or his legal representative. Unauthorized third parties have no access to the stored personal data. Organizers and commissioned service providers store and use the data for as long as it is necessary for their purpose.

By submitting the entries, the clubs/teams agree to the storage, processing and use of personal data for all registered participants. In the case of underage participants, the clubs and teams registering are responsible for the consent of a legal representative. Each participant or his/her legal representative may object to the storage, processing and use of personal data in whole or in part to the organizer in writing at any time and demand their deletion.

Possible consequences result from the competition regulations of the German Swimming Federation e.V.
