## 3. Special regulations

### 3.1 Setting the heats:

The heats will be set on 10 lanes in the morning sessions. The events 800m freestyle and 1.500m freestyle will be held directly as a decision according to entry times according to § 123 WB-FT SW (decision). The eight fastest registered times will start directly in the final.

The preliminary heats are set in accordance with § 122 WB-FT SW independent of year according to preliminary criteria.

All 200m distances of the youth competitions will also be set as a decision based on the entry times according § 123 WB-FT SW.

The organizer reserves the right to combine competitions.

The 8 fastest times in the open class (classification group 1), EJC classification (classification group 2) and the youth finals (classification group 3) will qualify for the finals. If athletes of the classification group 2 (EJC) qualify for the final of the classification group 1 (open class), they will start in the final of the classification group 1 (open class).

In classification group 2 there is also the special feature that the 6 time-fastest of the EJC age groups qualify and 2 places are reserved for EYOF age groups (2007/2008 male and 2008/2009 female), if available.

In case of a timely withdrawal according § 131 (15) WB for the finals, five reserve swimmers per scoring group will be nominated. They will move up according to the number of registered swimmers. The renouncement of a substitute swimmer is also subject to deregistration according to § 131 (15).

### 3.2 Limitations:

The number of entries is limited to the number of heats indicated in the race order. Admission will be granted for the specified entry time. Obvious false entries will be rejected by the organizer.

#### Classification group 3: Youth classification
