2 General regulations

- 2.1** The competition rules of the German Swimming Association (DSV) are valid, as far as they do not contradict the rules of the World Aquatics (WA). In this case the rules of the WA have priority. Furthermore, the Legal System (RO) and the Anti-Doping Regulations (ADO) of the DSV apply in the current version. For handicapped persons with a corresponding proof of classification, the competition regulations of the German Disabled Sports Association e.V. (DBS) are to be applied. All data refer to all genders.
- 2.2** The competition is carried out according to the one-start-rule. The start command will be in English.
- 2.3** Eligible to participate are the members of clubs/starting groups that belong to a national association affiliated to the DSV and are in possession of the association rights. Together with the registration the clubs/starting groups have to give an assurance that the athletes registered by them, have the right to start for the club/starting group, that the prescribed annual license has been paid and that they can prove their health by a medical certificate which is not older than one year (§11 (2) WB-Allgemeiner Teil).
- 2.4** Foreign athletes as defined by § 102 (2) WB-FT SW who do not have the right to start for a German club/German starting group are also eligible to participate. Prerequisite for participation is that the national swimming federation agrees to a start writing to the DSV by the closing date for registration (the agreement must be submitted with the registration) and that they are registered in due time. For foreign athletes, the registration and licensing obligation as well as proof of sporting ability in terms of the competition regulations are waived.
- 2.5** The entries have to be submitted on the official DSV forms (registration form DSV-Form 101 and registration lists DSV-Form 102). Additionally the entry has to be sent in a file in the current DSV-Standard or Lenex. The documents must be completely filled out and well readable. Entries will only be accepted by e-mail to the entry address. Due to the requirements of the WA, the exact date of birth of the athletes must be additionally stated informally by email with the entries. Without this information the times cannot be reported to the WA.
- The names of the coaches have to be communicated with the submission of the entries.
The entries are made by the respective clubs/starting groups.
- 2.6** After receipt of the entries, the registering clubs/starting groups will only receive an entry confirmation by the e-mail if they have a valid e-mail address.
- 2.7** Only one contact address is allowed per club/team. Surplus contact addresses will be ignored. The clubs/starting groups have to ensure the validity of their contact data (e-mail address). The club ID and the person ID as well as the corresponding national association (LSV code number) must be stated for all entries. Entries will be rejected if:
- the entries are incomplete
 - the entries are demonstrably incorrect.

The heats will be set on 10 lanes in the morning sessions. The events 800m freestyle and 1.500m freestyle will be held directly as a decision according to entry times according to § 123 WB-FT SW (decision). The eight fastest registered times will start directly in the final.

The preliminary heats are set in accordance with § 122 WB-FT SW independent of year according to preliminary criteria.

The youth competitions for 100m and 200m will be held directly as a decision according to entry times according § 123 WB-FT SW.

The organizer reserves the right to combine competitions or to allow additional runs.

The 8 fastest times in the open class (classification group 1), junior ranking (classification group 2) and the youth finals (classification group 3) will qualify for the finals. If athletes of the classification group 2 (junior ranking) qualify for the final of the classification group 1 (open class), they will start in the final of the classification group 1 (open class).

In classification group 2 there is also the special feature that 2 places are reserved for age group 2010/2011.

In case of a timely withdrawal according § 131 (15) WB for the finals, five reserve swimmers per scoring group will be nominated. Additionally five reserve swimmers from age group 2010/2011 will be nominated. They will move up according to the number of registered swimmers.

The renouncement of a substitute swimmer is also subject to deregistration according to § 131 (15). Deregistration is always valid for all finals of a course.

If two or more swimmers have qualified for the last place in the final, lanes 0 or 9 will be additionally occupied in the final.

The BSV will raise an additional entry fee for swimmers which have not used their right to withdraw for the final according to § 131 (15) and are not present at the race. The fee amounts to Euro 100,00 per case. This applies as well to substitute swimmer.

The victory ceremonies for the 50m, 100m and 200m IM of the youth competitions will take place during the running competition.

In the final session the victory ceremonies will take place in blocks. The exact times can be found in the entry lists of the final sessions.
